

RACE PERMIT

Permit Number: QLD7958/140922

Thank you for submitting Sprint , to be held between **09 October 2022** and **09 October 2022** for sanctioning approval.

Triathlon Australia sanctioning for the above event, in accordance with your application for sanctioning, and any subsequent correspondence, is granted subject to the following conditions:

- * Prior to the event, you conduct a safety inspection of the course, and at the participants' briefing you advise all competitors of the safety hazards on the course. The event should be modified if the course hazards cannot be safely controlled. This includes situations such as dangerous surf conditions or Bureau of Meteorology tsunami warnings.
- * All participants sign a "Participants' Agreement" prior to the event, indicating that they understand and accept the major risks associated with the event
- * All competitors are made aware of the water evacuation procedure
- * Approval is obtained from all other stakeholder authorities
- * Every part of the course must be accessible to an emergency vehicle. Procedures for any off-road access must be included in the event's risk management plan.

Please consider this RACE PERMIT to be formal Triathlon Australia sanctioning approval (subject to the above conditions).

This race permit validates your previously issued Certificate of Currency.

Have an enjoyable and safe event,

Carol Wooldridge
On Behalf of Triathlon Australia
